

C-Dory 26 Venture Features

The Venture series of boats feature reverse chines and a deeper V and a little more deadrise than a C-Dory 25.

Cockpit:

- 5' long x 6'6" wide
- Comfortably fits up to 4 people

Cabin:

- Over 6'4" of headroom
- Comfortably fits up to 4 people
- Fully lined with foam insulated marine vinyl
- Dinette located along port side of cabin
 - Storage under the seats
 - Converts to a berth
- Pilot station and galley located on starboard side includes:
 - Single burner butane stove
 - Stainless steel sink
 - 23-gallon water supply plus 6-gallon hot water tank
- Stand-up head with marine toilet and shower
- Forward section of cabin features a 6'4" "V" berth that is separated from the main cabin by a privacy curtain and includes overhead light and Bomar 22' aluminum frame hatch with tinted lens
- Cabinetry composed of fiberglass with 3/4" DecraGuard® marine grade plywood doors with teak wood trim

Construction:

- Fiberglass hull, decks, cabinetry and pilothouse are laid with the use of composite core construction. The use of cored sandwich construction in the bottom, decks, and bulkheads in combination with the deeply molded plank lines give the boat incredible strength and stiffness
- All color accents and top deck non-skid patterns are molded-in

Hardware:

- Diamond Sea Glaze windows with aluminum frames that are powder coated to match the color of the boat
- Sliding side windows with screens and standard center opening window
- All deck hardware is stainless steel and through bolted. Top deck is 3/4" thick
- Deck hardware includes five through bolted stainless steel cleats
- Electric windshield wipers with pantographic arms

Non-Skid:

- Top deck non-skid molded in diamond pattern
- Cockpit sole non-skid molded in diamond pattern

Performance Notes:

- 30 KTS at Wide-Open-Throttle (~5.5 gph)
- 18 KTS Cruise (~3.5 gph)
